**Subject:** WOUS Connectivity Report: Final FRN to be Released by the SAB  
**Attachments:** FRN SAB Panel for Connectivity Report Final.doc

WOUS Executive Team:

Attached is the final FRN announcing that the SAB will be conducting a review of the Connectivity Report and calling for nominations of potential reviewers. This version is slightly different than the previous version you reviewed and reflects the input of SAB staff concerning the expertise needed for the review panel. ORD concurs with the changes.

Concerning timing: We are working with the SAB and OA staff to deliver the FRN to the Agency FR office on February 25. The planned publication date is March 4.

Thanks all – great to restart the SAB process!

Jeff
